

RS Aero Name Registration - April 2016

Many RS Aero owners are coming up with some imaginative names for their pride and joys. Simon Ward of Lymington, UK, had the great idea of a 'name register' to avoid repetition.

If everyone posts the names of their Aeros as a reply to the Forum thread here;

<http://www.rsaerosailing.org/index.asp?p=forum&fid=1&tid=6998>

[Register to the website in the pink box on the left in order to write on the Forum]

Minimum info is sail number and boat name (but feel free to tell the story if there is one!). You could also post a pic if you have a nice graphic.

Periodically I shall update this concise list from the Forum and save it to the documents page. I have now included Nationalities for interest too.

So let your imagination go and post up those names!

Happy Sailing,

Peter
