

## RS Aero Cherished Names - Feb 2022

Over 600 happy RS Aeros now have their names recorded on the Cherished Names list with lots of new ones added in **RED** since the last update!

Many RS Aero owners are coming up with some imaginative names for their beloved craft! This 'name register' is for general interest and to make it possible, although not vital, to avoid repetition.

RS Aero owners can post the names of their RS Aeros as a reply to the Forum thread here; <https://www.rsaerosailing.org/index.asp?p=forum&subsect=updatepost&fid=1&tid=6998> and they will be added to the updates.

[Register to the website in the pink box on the left in order to post to the Forum]

Minimum info is sail number, country and boat name - but feel free to tell the story if there is one! You can also easily add an image there too!

Periodically I shall update this list from the Forum and save it to the Class website documents page.

So let your imagination go and post up those names!

Happy Sailing,  
Peter
