

RS Aero Name Registration

Many RS Aero owners are coming up with some imaginative names for their pride and joys. Simon Ward of Lymington had the great idea of a 'name register' to avoid repetition.

If everyone posts the names of their Aeros as a reply to the Forum thread here;

[Register to the website in the pink box on the left in order to post to the Forum]

Minimum info is sail number and boat name (but feel free to tell the story if there is one!). You could also post a pic if you have a nice graphic.

Periodically I shall update this concise list from the Forum and save it to this documents page. So let your imagination go and post up those names!

Happy Sailing,

Peter
