

RS Aero Cherished Names - June 2019

350 happy RS Aeros now have their names recorded on the list! Over 100 new ones since the last update!

Many RS Aero owners are coming up with some imaginative names for their beloved craft!
This 'name register' is for general interest and to make it possible, although not vital, to avoid repetition.

RS Aero owners can post the names of their Aeros as a reply to the Forum thread here;
<https://www.rsaerosailing.org/index.asp?p=forum&subsect=updatepost&fid=1&tid=6998>
and they will be added to the periodic updates.
[Register to the website in the pink box on the left in order to post to the Forum]

Minimum info is sail number and boat name (but feel free to tell the story if there is one!).
You could also post a pic, if you have a nice graphic.

Periodically I shall update this list from the Forum and save it to the Class website documents page.
So let your imagination go and post up those names!

Happy Sailing,
Peter
